

United Way of Northwest Florida

More than 85 years ago, the community leaders who founded the United Way of Northwest Florida crossed geographical, cultural and economic boundaries to make a difference through collective action. Today, diversity and inclusion remain vital to achieving our mission, living our values and advancing the common good.

United Way of Northwest Florida fosters and promotes an inclusive environment that leverages the unique contributions of diverse individuals and organizations in all aspects of our work. We know that by bringing diverse individuals and viewpoints together we can collectively and more effectively create opportunities for a better life for all.

United Way takes the broadest possible view of diversity, going beyond visible differences to affirm the essence of all individuals, including the realities, background, experiences, skills and perspectives that make each person who they are. Engaging the power of diverse talent and partners results in innovative solutions and the community ownership necessary to address complex community issues.

Diversity and inclusion are at the heart of what it means to LIVE UNITED.
