

United Way of Northwest Florida

Expectations of Community Impact Grant Recipients

Agencies that receive funding from United Way of Northwest Florida (UWNWFL) are expected to adhere to and uphold the following:

1. Submit the following reports for each funded program:
 - A. Mid-Year Data Collection
 - B. End-of-Year Report
2. Take a proactive stance in strengthening our relationship and relationships within our communities, including, but not limited to:
 - A. Notifying UWNWFL of significant changes in any of the following: organizational structure, facilities, outcomes provided to the community, policies or program delivery structure.
 - B. Understanding that all funding is contingent upon the availability of funds.
 - C. Identifying itself as a UWNWFL Funded Partner and use logos in recognition of shared work.
 - D. Accepting and utilizing UWNWFL funds, for the period covered by the MOU, as indicated in the funding decision letter and for the purposes so designated.
 - E. Offering site visits to funders, volunteers, donors, etc.

Compliance

Funded Partners will be required to sign an annual Memorandum of Understanding (MOU). Funded Partners that do not comply with the expectations as outlined in the MOU may be subject to suspension or termination of funding.

General Information

1. The UWNWFL funding year is April to March.

2. Only Affiliated Agencies aligned with UWNWFL's Community Impact funding priorities and outcomes are eligible for funding.
3. UWNWFL has established Funds Distribution Committees comprised of community volunteers. These committees are responsible for reviewing applications and providing funding recommendations to UWNWFL's Board of Directors.
4. The full application must be submitted by 4:30 pm on Monday, March 1. **No late submissions will be accepted.**

Funding Criteria

UWNWFL provides funding to agencies that demonstrate a commitment to providing high-quality programming and an ability to achieve outcomes in one or more of our impact areas of Education, Income, and Health.

Each agency submitting a full application for funding will be required to track and report results as outlined in Appendix A. Applicants should review the outcomes and indicators to identify the primary strategy with which the proposed application aligns.

Mid-Year and End-Year Reporting

You will also be asked to submit:

- Mid- year and end-year grant award financials.
- 1-5 photographs with appropriate releases. When action photos of clients being served are not possible, staff/event or group shots are welcomed.

Community Impact Areas Overview

Education

Help today's youth achieve their greatest potential by focusing on early learning and leadership programs. Assuring that children birth-18 have access to good education, food, fitness, and overall health.

Income

Empowering families with resources that allow them to support themselves. Give individuals and families the skills and tools needed to earn, keep, and grow their assets. Provide the building blocks to create a better life.

Health

Programs that ensure neighbors have the opportunity to achieve optimal health. Ensuring access to quality healthcare, dental programs, and nutritional food for those who do not know where to get their next meal. Energizing all residents to be healthy, secure, and active in their community.
